

BIANCHI

CABERNET SAUVIGNON 2015

Bianchi and Plummer Vineyards
Paso Robles, California

Vintage

Our 2015 Cabernet Sauvignon has come in with more depth of color with a thicker visual presence than years prior. The nose has a familiar cherry bouquet with unique and subtle notes of fresh mint, leather and candied fruit.

Our goal with all we do at Bianchi is to showcase the fruit forward wines of the Central Coast backed with layers of flavor and we have certainly achieved it with this Cabernet. One can expect the palette to immediately recognize flavors of cherry and coffee with nuances of earth, chalk and tobacco. The finish is long and satisfying.

Pair this with Pizza topped with spicy sausage or Prime Rib and a side of mashed potato and gravy.
